Postgraduate Diploma in Monitoring and Evaluation

Study duration: **1 years** | No. of Modules: **8** | Module Duration: **8 weeks** | Total Credits: **120**

ASSCOHMS ID: 121 | **NQF Level:**

Commit at least 12-15 hours per week

E-Learning Fully Online

Admission Requirements

A relevant Bachelor's Degree at NSQF Level 7

OR

An Advanced Diploma at NSQF Level 7

About the programme

The Postgraduate Diploma in Monitoring and Evaluation is a comprehensive programme designed to equip professionals with the knowledge and skills necessary to effectively monitor and evaluate projects, programmes, and policies across various sectors. This qualification provides a deep understanding of the principles, methodologies, and tools used in the field of monitoring and evaluation, enabling graduates to assess the effectiveness, efficiency, relevance, and sustainability of interventions. Students will learn how to design and implement monitoring and evaluation frameworks, use data collection and analysis techniques, and communicate findings to stakeholders. Through a combination of theoretical learning and practical application, students will develop the critical thinking, analytical, and communication skills needed to drive evidence-based decision-making and improve the impact of development initiatives.

You will learn to:

- Design and implement effective monitoring and evaluation frameworks
- Use advanced data collection and analysis techniques
- Assess the effectiveness, efficiency, relevance, and sustainability of interventions
- Communicate findings and recommendations to diverse stakeholders
- Conduct rigorous impact assessments

Module name	Credits
Introduction to Monitoring and Evaluation	15
Monitoring systems	15
Evaluation Theory	15
M&E data collection methodology	10
Qualitative data analysis	10
Quantitative data analysis (Excel Core and Advanced Excel)	10
Reporting of M&E data	10
Advanced Project Management	10
Project	15
ELECTIVES: Select one	
Planning and managing evaluations	10
Database fundamentals	10
Analysis and visualization of data with Excel	10
Total	**120**

Application requirements

- Duly completed application form.
- Certified copy of Nigerian National Identity Card, Voter's Card, Driver's License, or International Passport.
